L.F.Hospital Karkal - re-employment
for one year - sanction requested.

SPARE COPIES _____

There are two permanent vacancies of compounders in L.F.Medical institutions under this District Board and one of the posts is still kept vacant as candidates are not available even after advertisement to fill up the vacancy; the other one being held by an acting incumbent. A qualified compounder who has acted in L.F.Medical institutions under this District Board in the past is now working as a compounder in the Government medical institutions (attached to the Govt.Trades School Mangalore) opened for the benefit of the Technical trainees.

2. The Surgeon General with the Government of Madras when requested to furnish the list of compounders with military service available for appointment as compounders as required by rule 8c(2) of the rules relating to establishments under District Boards issued in G.O.No. 2342 L.S.G., dated 2-6-1936 as amended, intimates in his Ref.No. 62303-2-Res. dated 13-11-1945 that the list of compounders called for from the Director General, Indian Medical Service New Delhi has not yet been received and that the names of suitable candidates willing to serve in this District will be furnished to me on receipt of the reply from the Director General Indian Medical Service.

3. A third vacancy of compounder will occur in the Taluk Head quarters Hospital Karkal from the afternoon of 10-3-1946 due to the retirement of Sri.B.Vadiraja Tantry after his attaining the age of 55th year. Sri.B. Vadiraja Tantry is willing to continue in service further. In view of the fact that qualified compounders are not available the re-employment of Sri.B.Vadiraja Tantry for a period of one year from 11-3-1946 is strongly recommended.

Civil Assistant Surgeon Karkal states that the work of this compounder has been quite satisfactory and that the compounder's request for extension of service may be favourably considered.

1799
4. I therefore request that Government may be pleased to sanction the re-employment of Sri.B.Vadiraja Tantry as compounder with effect from 11-3-1946 for a period of one year on the pay drawn by him at the time of retirement.
